

Be a Part, Be a Sponsor!

Put it on your calendar now as we prepare for our 21st Texas Master Naturalist Program VIRTUAL Annual Meeting, an event to gather virtually, learn and celebrate another year of the Texas Master Naturalist Program. We'll be hosting this year's meeting online the week of October 14th - 17th, 2020 with plenty of activities both pre & post event!

The Annual Meeting provides an opportunity for the Texas Master Naturalist volunteers from around the state to gather virtually, participate in educational seminars, and receive all of their Advanced Training requirements for the year in one event. We're also preparing for some unique ways to engage program participants and supporters to network online, share new ideas, and to learn from different chapters in different regions of the state. This year's meeting, while virtual, will also include virtual field sessions, extended interactive training workshop, and a number of concurrent technical sessions, many of which will focus on the diversity of our Texas urban environments.

Once again this year, we are seeking sponsorships for the Texas Master Naturalist 21st Annual Meeting. In addition to general meeting sponsorships we are also seeking sponsorships for specific portions of our first VIRTUAL event, such as website logos, app logos and more. These platforms will allow our meeting to continue to provide participants networking opportunities, team building meetings and a healthy environment for productive educational seminars even while connected from a distance!

While we may not be seeing you in person this fall, we are committed to creating a valuable and engaging educational and networking experience that mirrors our in-person Annual Meeting. In fact, we're quite excited about all of the new possibilities that a virtual conference opens up for our event!

All sponsorships will receive special recognition through conference communication, fliers, announcements and programs. Sponsors may make a general contribution to support and sponsor the TMN Annual Meeting as a whole at any of the following levels:

Be a Friend = \$150

Be an Ecologist = \$300

Be a Steward = \$500

Be a Conservationist = \$1,000+

Be a Naturalist = \$5,000

For more information contact Mary Pearl Meuth at (mpmeuth@tamu.edu) or (979) 845-7294.

Be A Texas Master Naturalist Annual Meeting Sponsor

Recognition for our Texas Master Naturalist Annual Meeting Sponsors will include the following at each level of sponsorship: Recognition for this sponsorship level will include the following:

Friend = \$150
