cost is not the issue

QUESTION – 4 suggesting cot could be an issue.

From Nancy Phillips to Everyone: 01:30 PM

cost would not change mine

From Sharon Hamilton to Everyone: 01:30 PM

Cost would not change my mind, but likely would affect some members.

From Rich Nielson to Everyone: 01:30 PM

no

From Kathy Pittman to Everyone: 01:30 PM

cost not an issue

From Sue Ann Kendall to Everyone: 01:30 PM

cost is not the issue

From Gary Poole to Everyone: 01:30 PM

cost is not much of a concern

From Tom Shackelford to Everyone: 01:30 PM

no change With \$\$\$

From Stephen to Everyone: 01:30 PM

cost not the issue

From Elsa Roberts to Everyone: 01:30 PM

too expensive for me

From Donna Rogers to Everyone: 01:30 PM

no

From Emily Hansen to Everyone: 01:30 PM

Possibly, depending on which conference features and offerings might be lost due to changes

From Bert Stipelcovich (Coastal Prairie) to Everyone: 01:30 PM

No. Cost would not change decision to attend in person.

From Muffi to Everyone: 01:30 PM

cost not an issue

From Heartwood to Everyone: 01:30 PM

cost not an issue

From SCEllerbe to Everyone: 01:30 PM

Cost not an issue

From RPC TMN to Everyone: 01:30 PM

probably not an issue

From Betsy to Everyone: 01:30 PM

You're indicating cost would go up because fewer folks will be attending?

From Bibi Dalrymple to Everyone: 01:30 PM

cost not an issue

From dfrank to Everyone: 01:30 PM

cost doesn't matter

From Paul Wick to Everyone: 01:30 PM

No

From Scott Hudson to Everyone: 01:31 PM

cost not an issue

From Betsy to Everyone: 01:31 PM

Ok - cost not. Factor for most of my chapter members

From Mary Jane Brown to Everyone: 01:31 PM

Cost would be a consideration for many members in our local chapter.

From Muffi to Everyone: 01:32 PM

Cost is a big consideration in most members attending

QUESTION

From Sue Ann Kendall to Everyone: 01:32 PM

I'd say half our members would attend in person and half online.

From Emily Hansen to Everyone: 01:33 PM

I would expect most of our members to attend online rather than in person

From Bibi Dalrymple to Everyone: 01:33 PM

Cost is a big consideration for most of our members

From Sharon Hamilton to Everyone: 01:33 PM

DFW: Cannot predict what other members of chapter will decide. Several "regulars" would likely stay on site; however folks new to State meeting more likely to commute. Maybe 50-50.

From Janet Laminack to Everyone: 01:34 PM

I think commuting is difficult

From Tom Shackelford to Everyone: 01:34 PM

60% would attend / anticipate 15 ?

From Scott Hudson to Everyone: 01:34 PM

North Texas most likely to commute; very few stayed onsite last time conference was local

From Randy Beehn to Everyone: 01:34 PM

Majority of members would more likely do virtual **because of cost** for in person.

From Sharon Hamilton to Everyone: 01:34 PM

DFW: More likely to commute.

From RPC TMN to Everyone: 01:34 PM

I think Rolling Plains folks would stay on site.

From Donna Rogers to Everyone: 01:34 PM

probably some of both

From Mary Jane Brown to Everyone: 01:34 PM

Would it help if each chapter President took a poll of members to ask if they would attend virtual or in-person?? Then send results to you?

From Nancy Phillips to Everyone: 01:34 PM

I think it would be split between online and in person

From Muffi to Everyone: 01:34 PM

Day use - more commuters for Indian Trail, many more attended last year due to being virtual, without lodging cost

From Betsy to Everyone: 01:35 PM

GLC - Many of my members would register for online instead of in-person - you would get a few in person but not as many as usual

From Pam House to Everyone: 01:35 PM

Outside of DFW -- **I think in person attendance would be close to past rate, but more members would be able to attend online**

From RPC TMN to Everyone: 01:35 PM

Would there be a price difference for in-person vs virtual (excluding lodging)

From Heartwood to Everyone: 01:35 PM

I think many of our members would do online

From Kathy Pittman to Everyone: 01:35 PM

Brazoria Co - Due to distance most of our members would attend online. Likely that officers would attend in person.

From Bert Stipelcovich (Coastal Prairie) to Everyone: 01:35 PM

Most would attend online.

From Sue Ann Kendall to Everyone: 01:36 PM

50/50

From Bibi Dalrymple to Everyone: 01:36 PM

Most would probably connect online

From Muffi to Everyone: 01:36 PM

most would attend online

From Paul Wick to Everyone: 01:36 PM

Connect online

From Sharon Hamilton to Everyone: 01:36 PM

Coffee!

From julia to Everyone: 01:36 PM

Gulf Coast - more more like likely to attend virtual because of distance

From Ian Shelburne to Everyone: 01:36 PM

For Big Country area - in person, maybe 10%; 90% of those who attend would more likely register online

From Rich Nielson to Everyone: 01:37 PM

Most Lindheimer would do online and we would probably only have 6 attend in person

From Mary Jane Brown to Everyone: 01:37 PM

If there would be a hybrid, I will say most of our members would attend virtual.

From Debra Jones to Everyone: 01:37 PM

Red River - maybe 1 onsite, several others would attend online. Last year was our largest chapter attendance ever. Also liked having access to classes the rest of the year. I've used that access extensively.

From Woody Raine to Everyone: 01:37 PM

Is it possible for you to send these questions to all TXMN members via an online survey platform (e.g., SurveyMonkey)?

From RPC TMN to Everyone: 01:37 PM

Thank you

From Linda Fairlie to Everyone: 01:37 PM

Central Texas would likely be half and half

From Elsa Roberts to Everyone: 01:37 PM

Most would attend online. It's worth remembering that you had the largest participation ever virtually last year.

From Kathy Pittman to Everyone: 01:37 PM

would in person folks still be able to view sessions online later?

From Katie Moses to Everyone: 01:37 PM

Prairie Oaks- I'd guess we'd have about half of our normal attendees go in person.

From Stephen to Everyone: 01:37 PM

uncertain - what's the difference in cost, what will covid status be at registration time?

From Betsy to Everyone: 01:38 PM

I sure hope folks could watch recordings afterwards - online was a way to see many sessions that overlapped

From Roberto Gaitan to Everyone: 01:38 PM

Distance would be a major factor for in-person attendance from RGV. You will likely have more participants if a virtual option is offered.

From Elsa Roberts to Everyone: 01:38 PM

Aren't we speculating concerning what Covid conditions might be in the Fall?

From Betsy to Everyone: 01:40 PM

All of us appreciate all you do to make this happen

My few folks that asked about watching in April - I'm guessing they are done - go ahead from GLC perspective

From Michelle Haggerty to Everyone: 01:40 PM

ALLLLLLL of the things will be taken into account as much as we can by the time we HAVE to make a decision. But as we saw last year it is hard to plan for what the covid status could be in the fall.

From Roberto Gaitan to Everyone: 01:40 PM

Can the videos be moved to your YouTube Channel? Can they be opened to everyone to market this year's annual meeting?

From Kathy Pittman to Everyone: 01:41 PM

If that was the communicated deadline, then go for it

From Scott Hudson to Everyone: 01:41 PM

for chapter - would guess many attend online, maybe 50:50

QUESTION – resounding yes to a Virtual Volunteer Fair

From Betsy to Everyone: 01:42 PM

GLC I only received rave reviews and desire to help from my chapter members - in fact we had one for our projects and we're going to have another one soon

From Sue Ann Kendall to Everyone: 01:42 PM

Our chapter really loved the volunteer fair.

From Bert Stipelcovich (Coastal Prairie) to Everyone: 01:42 PM

Yes.

From Rich Nielson to Everyone: 01:42 PM

What is reflected in VMS for the last one?

From Linda Fairlie to Everyone: 01:42 PM

The Volunteer Fair has provided opportunities to do as small groups outside and has been very valuable for us

From Betsy to Everyone: 01:42 PM

GLC - we have a number of folks that can't do things in person due to family challenges - these opportunities give them more choices

From Emily Hansen to Everyone: 01:42 PM

I think newer members (COVID or not) really seem to appreciate it, so yes! Please keep doing it!

From Joseph to Everyone: 01:43 PM

Trans-Pecos - We are opening up and can get our hours local

From RPC TMN to Everyone: 01:43 PM

I think the Rolling Plains Chapter benefited from the V Fair.

From Kathy Pittman to Everyone: 01:43 PM

I think its good for projects that are looking for help

From Gary Poole to Everyone: 01:43 PM

People got a lot of good information and ideas from the last one so I say doing it again would be good

From Donna Rogers to Everyone: 01:43 PM

Yes, please.

From Ian Shelburne to Everyone: 01:43 PM

We had several participate either with the live run, or with the recordings. I think 10 or 15 of our members would make use of another iteration.

From Stephen to Everyone: 01:43 PM

useful for members

From Nancy Phillips to Everyone: 01:43 PM

I think you should plan to do another one in the Fall

From Rich Nielson to Everyone: 01:43 PM

Yes again

From Scott Hudson to Everyone: 01:43 PM

Yes, continue please - many members found this valuable for opportunities/connections outside our immediate area.

From Paul Wick to Everyone: 01:43 PM

Seldom need this.

From Mary Jane Brown to Everyone: 01:43 PM

Fall, yes if there is still a need from the state for help from Master Nats. Summer is busy, do fall

From SCEllerbe to Everyone: 01:43 PM

Yes, again.

From Muffi to Everyone: 01:43 PM

Several people really have enjoyed local projects from the. Possibly one more as we are all getting outside and active in our local areas

From Sharon Hamilton to Everyone: 01:43 PM

We did not do a good job advertising the past VVFs. I did find the posted information useful.

From julia to Everyone: 01:43 PM

This great resource was very much appreciated - not sure how much people are volunteering in the parks yet..... still not quite open fully, so yes,, a fall one sounds good

From Katie Moses to Everyone: 01:43 PM

I'm not sure how many of our members took advantage of the opportunities but I will definitely encourage them to do so if repeated!

From Ian Shelburne to Everyone: 01:44 PM

We use a chapter Google drive account to store images and other chapter records/docs.

From Rich Nielson to Everyone: 01:44 PM

Lindheimer has been active on FB

From julia to Everyone: 01:44 PM

Gulf Coast Chapter uses Google Drive.

From dfrank to Everyone: 01:44 PM

We are still trying to figure out how to store photos.

From Scott Hudson to Everyone: 01:44 PM

North Texas uses Flickr

From Randy Beehn to Everyone: 01:44 PM

We established a Shutterfly Chapter account for photos

From Betsy to Everyone: 01:44 PM

We tried Flickr - it went well at first and then things died down. Folks seldom go back very far for info

From Linda Fairlie to Everyone: 01:45 PM

We have a Chapter One Drive where we put ours, but I think it belongs to an individual

From Bert Stipelcovich (Coastal Prairie) to Everyone: 01:45 PM

Coastal Prairie uses Flickr.
