Are Plan Checklist and Screening Forms required?

From julia to Everyone: 01:06 PM

Two questions about this, 1. may we require masks when we begin meeting indoors again ? and 2 may we require a limit on attendance as we deem appropriate (also for indoors)

From Me to Everyone: 01:06 PM

based on your local agrilife county office guideline s- they may still be required.

From julia to Everyone: 01:07 PM

Can we decide on our ow tho ?

ok, thank you

From Sue Ann Kendall to Everyone: 01:08 PM

Our members keep asking "when can we resume in person meetings" and none of the guidelines seem to directly address that. Can you clarify?

Thank you.

From Mary Jane Brown to Everyone: 01:09 PM

Llano Estacado has resumed in-person meeting. We also offered zoom for those who did not feel comfortable meeting in person.

From Sue Ann Kendall to Everyone: 01:09 PM

From Heartwood to Me: (Direct Message) 01:20 PM

Most of the places we have booths or speakers are advertised to people who are already looking for conservation insights, preaching to the choir. How do we identify and reach those who aren't already tuned in to the conservation message!

From Bruce Neville (he/him/his) to Everyone: 01:57 PM

Will the State be providing a scholarship again this year for an in-person attendee?

From Emily Hansen (she/her) to Everyone: 01:57 PM

I think knowing what the field sessions will be will help members decide whether to attend in person vs virtually. The sooner those sessions are posted, the better!

From dufil to Everyone: 01:57 PM

We have not heard anything from the members yet. We have not met in person where I think it would be more likely to get questions.

From Bruce Neville (he/him/his) to Everyone: 01:59 PM

Okay. We will take that into our planning.

From Tom Shackelford to Everyone: 01:59 PM

Do not google "cougar" if you are looking for images of the large cat.

From christine.miller to Everyone: 02:04 PM

I agree with Betsy

From Mary Jane Brown to Everyone: 02:05 PM

Each chapter should explore a way to store their own photos for their use. No need to spend state funds for this, but nice of you to think about doing so.

From RPC TMN to Everyone: 02:05 PM

I agree with Betsy. I think each chapter should take care of their own photos.

From Heartwood to Everyone: 02:06 PM

May be time to accept funding from each chapter for things like this

From Ian Shelburne to Everyone: 02:06 PM

Thanks, Mary P and Michelle for all your excellent work on behalf of us all!

From Muffi's iPhone to Everyone: 02:07 PM

Thank you both for your hard work!

From Bruce Neville (he/him/his) to Everyone: 02:07 PM

Even if we can just share best practices. If you have a way that works, we need to know it!

From Sharon Hamilton to Everyone: 02:07 PM

Each chapter could curate which photos are shared on a State archive--10 a month, for example.

From Betsy to Everyone: 02:07 PM

Sharon has a good suggestion

From christine.miller to Me: (Direct Message) 02:08 PM

No need to discuss here. But I need help growing my chapter. I only have about 6 members that are actually active. I never seem to have more than one or two willing to sign up for the training classes. Our cost is \$100 just FYI

From Bob Cunningham to Everyone: 02:08 PM

Just realized there is a txmn.org website separate from txmn.tamu.edu site. Are they for different purposes or should we regularly refer members to one or the other?

From NTMN Host to Everyone: 02:08 PM

Thanks for a very helpful meeting. Much excitement about getting to meet in person.

From Mary Jane Brown to Everyone: 02:08 PM

Did not think about your need for photo's from us for use for promotional opportunities.

From Betsy to Everyone: 02:09 PM

thanks for sharing that the state has a need to have photos from us.

thanks for all you do for all of us

From Bob Cunningham to Everyone: 02:09 PM
