

TEXAS MASTER NATURALIST
2022 ANNUAL MEETING
HOUSTON, TX
OCTOBER 20-23

Be a Part, Be a Sponsor!

Put it on your calendar now as we prepare for our **23rd Texas Master Naturalist Program Annual Meeting, an event to** gather, learn and celebrate another year of the Texas Master Naturalist Program. We're preparing this year's meeting as an in-person event at the Omni Houston this fall **Thursday, October 20th to Sunday October 23rd.**

This year's Annual Meeting will be hosted in the heart of one of the most ecologically diverse urban centers in the nation. Houston is nestled in the Gulf Coast Prairies and Marshes ecoregion of Texas, inviting a wide variety of wildlife and vegetation. With a temperate climate and abundant rainfall, more well-known species include the Houston toad and the whooping crane. The conference, held at the Omni Houston, sits on the shores of Buffalo Bayou, creating 160 acres of greenspace in the heart of downtown Houston, and re-introducing the natural world to those who call the city their home.

Once again, we are seeking sponsorships for the Texas Master Naturalist 23rd Annual Meeting. **All sponsorships will receive special recognition through conference communication, fliers, announcements, and programs. Sponsors may make a general contribution to support and sponsor the TMN Annual Meeting at any of the following levels:**

Be a Friend = \$150

Be an Ecologist = \$300

Be a Steward = \$500

Be a Conservationist = \$1,000+

Be a Naturalist = \$5,000

For more information contact Mary Pearl Meuth at (mpmeuth@tamu.edu) or (979) 845-7294.
