

# TEXAS MASTER NATURALIST PROGRAM

## ANNUAL MEETING SPONSORSHIP OPPORTUNITY

The **Texas Master Naturalist Annual Meeting** provides an opportunity for Texas Master Naturalist volunteers from around the state to gather, participate in hands-on educational seminars, and receive all their Advanced Training requirements for the year in one weekend. It's also an opportunity for program participants and supporters to network, share new ideas, and learn from chapters in different regions of the state.

# 2023 ANNUAL MEETING

October 12-15

McAllen, Texas

# TEXAS MASTER NATURALIST PROGRAM

## ABOUT

### MISSION

---

The Texas Master Naturalist Program is sponsored statewide by the Texas Parks & Wildlife Department and the Texas A&M AgriLife Extension Service. The program's mission is to *develop a corps of well-informed volunteers to provide education, outreach, and service dedicated to the beneficial management of natural resources and natural areas within their communities for the State of Texas.*

The program currently supports 16,000+ volunteers in 48 local chapters across the state. TMN volunteers provide over 470,000 hours of service annually. Many communities and organizations rely on these volunteers for implementing youth education programs; for operating parks, nature centers, and natural areas; and for providing leadership in local natural resource conservation efforts.
