Eclipse Soundscapes is supported by NASA award No. 80NSSC21M0008

Option 1: Participatory Scientist

Participate in ES as a Field Researcher collecting audio data or an Eclipse Observer noting eclipse observations.

Eclipse Soundscapes Provides:

- Participatory Science Kits/Materials (1 per Field Researcher as supplies allow, preference given to $\geq 80\%$ of Maximum Eclipse)
- Or be an Eclipse Observer anywhere without needing a kit
- Online Accessible Eclipse Learning Resources (Videos/Audio)

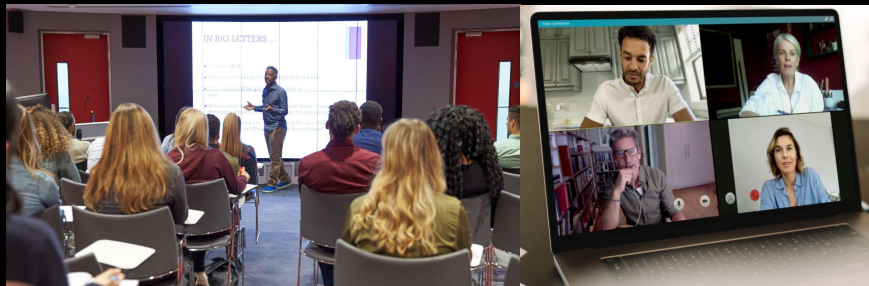

EclipseSoundscapes.org   [@EclipseSoundscapes](https://www.instagram.com/EclipseSoundscapes)  [@EclipseSoundUDL](https://twitter.com/EclipseSoundUDL)

Eclipse Soundscapes is supported by NASA award No. 80NSSC21M0008

Option 2: Eclipse Learning Event with Expert Q&A

Run an eclipse learning event for the general public or community group

Eclipse Soundscapes Provides:

- Virtual Experts for Q&A post learning event
- Online Accessible Eclipse Learning Resources (Videos/Audio) for use before or during event if needed.

EclipseSoundscapes.org   [@EclipseSoundscapes](https://www.instagram.com/EclipseSoundscapes)  [@EclipseSoundUDL](https://twitter.com/EclipseSoundUDL)

Eclipse Soundscapes is supported by NASA award No. 80NSSC21M0008

Option 3: Participant Science Club

Run an Eclipse Soundscapes participatory science club learning event for the general public or community group.

**Discuss Eclipses
& How to Observe**

**Eclipse Soundscapes Kit
Review & Device Set-up**

**Eclipse Week: Members
Deploy AudioMoths**

**Discuss Eclipse Experience
& Observations, Collect data**

Eclipse Soundscapes Provides:

- Mentor Eclipse Soundscapes Training
- Participatory Science Kits/Materials (2-5 per Mentor)
- Virtual Experts for learning event
- Online Accessible Eclipse Learning Resources (Videos/Audio)
