“Conserving nature in Texas, Texas Master Naturalist Program celebrates milestone anniversary”

an article by Sarah Fuller

TEXAS MASTER NATURALIST PROGRAM

SEASON OF *Thanks!*

The Texas Master Naturalist Program is recognized in an article by AgriLife Today in celebration of it's 25th Anniversary.

“My hope is that when someone thinks of the future of Texas’ natural resources, they think of Master Naturalists and the Texas Master Naturalist Program. So many great things are accomplished because of the efforts of our volunteers.”

Michelle Haggerty, *Texas Master Naturalist Program State Coordinator, Texas Parks and Wildlife Department*
