

November #TMNTuesday

Technical Guidance Projects Showcase

We will get
started at
12:00 noon
central

#TMNTuesdays

Virtual Meeting Room Etiquette

We will get started right
at 11:30am CT.

If you are experiencing issues with WebEx, please refer to our WebEx Help Guide - <https://txmn.tamu.edu/tmntuesdays/>

Chat function is open for on-topic discussion only. Please be professional and respectful in all comments & questions in the chat room.

This session will run for **TWO** hours and can count for AT. The **recording** will be posted to our website by the end of the following day. If you missed the live webinar, watching the recording can count for up to two hours of AT also.

Attendees are not able to unmute during the WebEx Event. Please use the Chat Box to ask questions.

TMN Technical Guidance Projects Showcase

How TMN Chapters provide landowner and community technical guidance assistance through their specialized service projects – projects to be emulated or adapted by other chapters across the state

- **Hill Country Chapter's** LMAP Project—A chapter developed project providing technical guidance to landowners big and small
- **South Texas Chapter's** “Blucher Bunch” Technical Guidance with Corpus Christi’s Parks and Recreation and Stormwater departments
- Municipal Mutualism: **Blackland Prairie Chapter's** building strong and productive relationships through TMN member technical guidance for the Frisco Urban Forestry and municipal advisor boards
- **Piney Wood Lakes Chapter's** East Texas Conservation Expo
- Building on the Landowner Field Day model established by the **El Camino Real Chapter** at the Cedar Hill Nature Preserve – TPWD staff presenting
- **Hays County Chapter's** HELM Project-- Another chapter developed project providing technical guidance to landowners big and small

Logging Today in VMS

How to Report your time for attending today:

For attending/viewing today's event, report your time as follows:

General Members:

Opportunity = Advanced Training

AT Description = November 2024 TMNTuesday: Technical Guidance Showcase

Technical Guidance = Advice and Consultation

- Technical Guidance is a major pillar of service in our TMN Program
- Technical Guidance is part of our mission and one of the main reasons our program exists

Technical Guidance = working with individual landowners, landowner cooperatives or organizations to provide advice and information to them as land managers for the conservation and development of wildlife habitat and other natural resources and the proper management of those resources with an aim to maximize wildlife potential, prevent waste or depletion of the resource and offer increased opportunity for public use and enjoyment of renewable natural resources.

- ~1:**Final Wrap Up and**

Hill Country Chapter's Land Management Assistance Project (LMAP)

The Land Management Assistance Program is one of our chapter's most important contributions to our ten-county region.

The Land Management Assistance Program (LMAP) is a special program through which we offer free assistance to property owners in Bandera, Edwards, Gillespie, Kendall, Kerr, Kimble, Mason, Menard, Real, and San Saba Counties.

Our well-trained, knowledgeable Texas Master Naturalist volunteers visit your property to discuss your goals, plans, and concerns.

- Potential land use issues are identified and possible solutions are described.
- The LMAP volunteer team helps you survey trees, shrubs, wildflowers, and grasses.
- Good stewardship practices that may apply to your land are explained.
- The visit is followed by a written report including a list of experts who can provide additional information and assistance.

Hill Country Chapter's Land Management Assistance Project (LMAP)

- Created by TMN Hill County Chapter member in 2005
- Hill Country Chapter trained LMAP volunteers have visited more than **450 properties** totaling more than **40,000 acres** across the Hill Country area.
- Learn more about the Hill Country Chapter's LMAP Project at: <https://txmn.org/hillcountry/lmap/>

How Hill Country Landowners Request Assistance from our Chapter:

Request an LMAP visit

A free volunteer consultation service for landowners provided by the Texas Master Naturalist, Hill Country Chapter. Please contact us to learn how we can help you.
