Call for Proposals - Texas Master Naturalist Annual Meeting, October 2025

Step 2: Enter Your Submission's Details

* **Submission Title**

* **Presentation Type**

Classroom Session

* **Submission Details** - Provide a concise, engaging summary that highlights key takeaways from the presentation or field experience. Describe what participants will see, do, and learn in a way that captures their interest while clearly outlining the session's value. This description will be used in the Full Agenda as written.

1,000 characters remaining

* **Presentation Theme** - Please select the most relevant topic for your presentation. This will be used for building session tracks for attendees.

- Abiotic Environment (Geology, Weather, etc)
- Chapter Management & Solutions
- Chapter Project Highlight
- Citizen Science
- Conservation Initiatives
- Community Engagement
- Ecological Concepts/Regions
- Fauna-General
- Habitat Management (Open Space)
- Interpretation/Communication
- Partnership Highlight, Volunteer Project Recruiting
- Plants/Flora
- Social Media & Storytelling
- Texas Water Resources
- Other

* **Additional Details** - Please select your presentation type to answer the corresponding questions.

- Classroom Session
- Field Session

* **Presentation Duration** - Classroom sessions will be scheduled concurrently Friday and Saturday between the hours of 8am and 5pm.

- One Hour
- Two Hour
- Three Hour

Four Hour

*** Presentation Environment** - Scheduled sessions will be given a meeting room with chairs set up in a theater style setting (rows of chairs). Please select and list out room set up needs if different from standard.

Standard - Indoor Meeting Room with Theater Chair Set Up

Other - Include needs for additional tables, outdoor access, etc. Note that some additional set up equipment may have added charges.

*** Maximum Class/Attendance Size Requested**

(smallest meeting room is 10, largest meeting room can hold 100)

*** Technical Needs** - A computer, projector and screen will be provided in each meeting room. The computers will be base-level models capable of running Microsoft PowerPoint and an internet browser only. Please anticipate bringing and managing any additional A/V needs outside of those listed above that you may need. Please also indicate if the participants should be encouraged to bring any personal equipment (i.e. laptop, tablet, camera, mobile device) for the presentation.

16,000 characters remaining

*** Technical Experience** - To help us allocate the limited A/V tech staff resources, please select you level of comfort with hosting your session and/or PowerPoint.

- Expert/high level of tech experience. I do not need help setting up my presentation.
- Mid level of tech experience.
- Low level of tech experience. Please allocate tech support if available.

Please let us know if there are additional needs or comments for your presentation during the Texas Master Naturalist Annual Meeting. These will be moderated and answered within a timely manner.
