TEXAS MASTER NATURALIST PROGRAM

SPONSORS & VENDORS

The **Texas Master Naturalist Annual Meeting** provides an opportunity for Texas Master Naturalist volunteers from around the state to gather, participate in hands-on educational seminars, and receive all their Advanced Training requirements for the year in one weekend. It is also an opportunity for program participants and supporters to network, share new ideas, and learn from chapters in different regions of the state.

Join us in **College Station** this October, where it isn't just about Aggie pride; it's also a haven of natural beauty. Nestled along the meandering Brazos River and surrounded by a majestic Post Oak Savannah, this area boasts of rich biodiversity and stunning landscapes for Master Naturalists to explore. Here, one can discover the harmonious blend of riverine ecosystems and savannah woodlands, and explore the rolling hills, thick forests and flat plains, while learning in a picturesque scene that is as educational as it is awe-inspiring!

TEXAS MASTER NATURALIST PROGRAM

ABOUT

MISSION

The Texas Master Naturalist Program is sponsored statewide by Texas Parks & Wildlife Department and Texas A&M AgriLife Extension Service. The program's mission is to *develop a corps of well-informed volunteers to provide education, outreach, and service dedicated to the beneficial management of natural resources and natural areas within their communities for the State of Texas.*

The program currently supports 16,000+ volunteers in 49 local chapters across the state. TMN volunteers provide over 470,000 hours of service annually. Many communities and organizations rely on these volunteers for implementing youth education programs; for operating parks, nature centers, and natural areas; and for providing leadership in local natural resource conservation efforts.

Thank you for supporting the Texas Master Naturalist Program and our 2025 Annual Meeting!

TEXAS MASTER NATURALIST PROGRAM

BE A VENDOR

We are once again hosting our event with the opportunity to invite vendors and exhibitors with naturalist related goods, artwork, projects, plants, educational materials, and outreach from partnership organizations. The vendor booths will be located in the downstairs conference hallways and ballroom of the Texas A&M University Hotel.

There will be ample time throughout the conference for attendees to browse the vendor areas, with breaks and socials scheduled to be held in the vendor space. We kindly ask that all vendors donate an item for the Silent Auction. The money raised from the silent auction will be used towards scholarship funds for Master Naturalists expressing a financial need to be able to attend our conference the following year.

Vendor Booth Space Information:

- Vendor setup will be on **Thursday, October 16th from 1:00pm – 3:00pm**, with take down and move out by **10:00am on Sunday, October 19th**. Vendors will be responsible for their own move in, set up, take down, and move out.
- Vendors will receive **one 6' table and two chairs**. Additional tables may be available if needed, potentially at an additional cost.
- Electricity and other display items can be discussed if needed, potentially at an additional cost. Wi-Fi will be available in the conference space for all attendees. Hardline and electric cord charges may be available, potentially at an additional cost.
- Please have all vendor applications emailed to Mary Pearl Meuth (mpmeuth@tamu.edu), by **5pm on Sept. 12th, 2025**.
